

Kidtastics' Tumbelina Present This Month's Shining Star: Collin and Carson

My name is Collin and this is my best bud Carson and we are four years old! When we first started gymnastics we didn't know what to expect. We first met our teachers Miss Nikki, Miss Amber, and Miss Heidi. They really are a lot of fun. We started the class by being able to run all around and play whatever we wanted until it was time to start class. At first Carson and I were in different groups. We really didn't mind, but we wanted to be together. So the teacher's put us in the same group and that was awesome. We learned many great tricks that we can do on our own including teeter-totter's and cartwheel's. We also got to play on the bars and balance beam. Our favorite part of gymnastics is doing forward rolls down the cheese and flipping in the doughnut. It is so cool. We really like Miss Nikki because she is really funny and Carson calls her Miss Mickey, which is even more funny. We really have had a great time in gymnastics this whole year. Thank you Kidtastics for teaching us gymnastics and fun games.
